 Islamic Ahlul-Bayt Association of Triangle (IABAT)

Dear Ahlul-Bayt followers:

Allah (SWT) has given us an opportunity to build our own building. IABAT has already purchased the land located at **2200 S. Miami Boulevard in Durham** and is looking to break the ground as soon as possible. Site plan is in final approval stages at City of Durham offices and should be approved in next few months INSHA-ALLAH. This will be the first owned Shia Ithna Ashari center in North Carolina.

We all are part of this great project. Every dollar you spend will be considered Sadqa e Jaariah here in this world and will benefit you in the hereafter. Please open your heart and donate as much as possible. May Allah (SWT) reward you with much health and wealth. Please note that all donations are tax deductible. Below is a pledge form we request you to fill out.
